## AWRA – Wisconsin Section 29th Annual Meeting

March 3 & 4, 2005 • Lake Lawn Resort • Delavan, Wisconsin

### Wisconsin's Waters: A Confluence of Perspectives

You are invited to attend the annual meeting of the Wisconsin Section of the American Water Resources Association (AWRA).

The meeting will be held at the Lake Lawn Resort in Delavan on March 3 and 4, 2005. Our theme this year is taken from the title of a recent publication by the Wisconsin Academy of Sciences, Arts and Letters: "Wisconsin's Waters: A Confluence of Perspectives." We are planning plenary, oral and poster sessions addressing both surface water and groundwater issues in Wisconsin. The complete program and registration materials will be available electronically at the Web sites listed in the next column. We look forward to seeing you at what we're sure will be an exciting meeting.
